

VRF – DI/SDI COMBINATION CHART

RBC-CK1 RETAIL PRICE £135.00

TOSHIBA are pleased to announce the integration of these units to the Digital Inverter and Super Digital Inverter range. This is achieved by converting the VRF indoor unit with the RBC-CK1 conversion kit.

3 Phase Condensing Units may be used were applicable (RAV-**** AT8-E). Where the same outdoor unit is used for two indoor unit sizes there would be an increase of air volume for the larger sized indoor unit.

Twin systems will require an RBC-CK1 kit for each indoor unit.
