TOSHIBA for a rewarding business

What is Toshiba Rewards

Toshiba recognises the contribution that its network of installers makes towards our continued success story. In-line with our vision statement we have updated our rewards incentive programme to further enhance the benefits available to our loyal customers.

We have also introduced a new online system whereby members can manage their points account, redeem rewards and hear of special incentives - all from their laptop, ipad or mobile phone.

How do I get a rewards account?

- You must be a customer of Toshiba Carrier UK Limited or of a Toshiba Distributor, Toshiba Wholesaler or Toshiba Approved Re-seller
- No minimum turnover required to qualify
- Adhere to F-Gas regulations and be Refcom registered (or equivalent) and fully compliant (Number must be submitted with online registration)
- Complete all details on the registration form and accept the terms and conditions.
- Only one person per customer can be the nominated account holder for that company.

Sign up at toshibarewards.co.uk

Once your application has been processed you will receive an email with initial log details to get access to the new Online Rewards site from where you will be able to view and manage your points and exchanges
