

Replacement of R32 MIRAI & SHORAI

TOSHIBA are pleased to announce replacement indoor units for the RAS R32 *MIRAI* and *SHORAI* inverter heat pump residential product range.

1. Line Up

- The new indoor units which are “B” coded are connectable to single split and multi-split system inverter heat pump outdoor units. Additionally the new models use the Bi-refrigerant concept which makes these indoor units compatible to use for both R410A and R32 multi-split outdoor units.
